

Kentucky National Shorthorn

FUTURITY SHOW AND SALE

BOWLING GREEN, KENTUCKY

SATURDAY, MARCH 17, 1962

A product of Kentucky. Ashbourne Butterfly, reserve junior champion female, 1961 Chicago Intenational Livestock Show and grand champion female, 1962 Denver National Western Stock Show. By Ashbourne Paymaster by Ashbourne Bank Balance.

This is the thirteenth year the Kentucky Futurity has been held at Bowling Green, and the offering is the best yet in the history of this event.

The wonderful support the Kentucky Department of Agriculture has given the registered cattle industry has been a strong factor in attracting the top quality cattle that make this a truly national sale.

I would like to thank the Department for its wonderful support not only in the form of show premiums but also in help given in so many ways to promote better livestock and more efficient marketing.

It is a pleasure to welcome several new consignors this year. They signify the increased activity in Shorthorns and Polled Shorthorns throughout this area. Many more strong new herds are needed to supply the growing demand, and we know of no better place to found them than right here in this sale.

Plan to be with us. You will make friends you will never forget and see cattle you will never forget.

12 YEARS — 705 HEAD — \$336,385

A number of years ago, the Kentucky Legislature passed an act setting up a special premium fund for National Shows and Sales of each of the major beef breeds. They had a definite purpose in mind. The aim of this far-sighted legislation was to generate recognition the nation over for Kentucky as an outstanding source of supply for the finest registered seed stock . . . much as it is regarded as the finest source of Thoroughbreds. Secondly, by holding these sales in Kentucky, it was only natural that a large share of the best cattle would stay in the State to build stronger herds. Also, with these premiums as attractions, Kentucky breeders were stimulated to breed better cattle and take an increasingly larger part in the Futurity themselves.

In the twelve years this sale has been held at Bowling Green, a total of 705 head have been sold for \$336,385 . . . or an overall average of \$477 . . . to cattlemen from 22 states and Canada. These are prices that leave profit on both the buyers' and sellers' side of the ledger.

Anyone who has ever been connected with the management of a registered cattle sale knows how difficult it is to talk breeders into parting with their very best at auction. We are able to do it in this sale because of the generous premiums offered in the show. Please remember that every animal in the show will be sold at auction. This is your opportunity to share in the benefits of the Kentucky Futurity program.

This Best Group of Three was won by Wm. Meacham, Sturgis, at the 1960 Kentucky National Futurity. A similar win in 1961 brought him permanent possession of the perpetual Luther Rice Trophy for Best Group of Three at this Show and Sale.

GRAND CHAMPION FEMALE TROPHY **RESERVE CHAMPION FEMALE TROPHY**

BEST PAIR (Bull and Female)

BEST GROUP OF THREE (Luther Rice Memorial Trophy)
 (Bred and owned by Consignor)

This beautiful trophy was awarded by Luther K. Rice Paris, Ky., to the consignor showing the best three head, bred and owned by the consignor. It became the permanent possession of Wm. Meacham, Sturgis Ky., last year upon winning the award three times. A new Luther K. Rice Me-

memorial Trophy is being offered this year by the Kentucky Shorthorn Breeders' Assn. in honor of the many fine things done for Kentucky Shorthorns by Mr. Rice.

LUTHER K. RICE

Missing this year from the ranks of Kentucky Futurity consignors is Luther K. Rice, Paris, Ky., who passed away January 10, 1962.

He served the Kentucky Shorthorn Ass'n, the American Shorthorn Ass'n and the State of Kentucky in many capacities. He had received the national Shorthorn honor of "Builder of The Breed," had been named "Mr. Shorthorn" by fellow Kentucky breeders, and had received the Golden Sheaf award for contributions to Kentucky Agriculture. He had no peers as a Shorthorn enthusiast and as a gentleman.

Ashbourne Bank Balance, sire of Lot 1, sired most of the Best Ten Head shown by the Browns of Kentucky at the 1961 Denver National Western. Three sons and two daughters sell. A son sired the grand champion female at the 1962 Denver National Western and Bank Balance sired the res. grand champion female at the 1962 Houston Livestock Show.

ASHBOURNE EXAMINER — Here is our special attraction that we have decided to put in the Sale. Examiner stood first at Ohio and Mid-South and also Reserve Champion at Memphis. He was second at Kentucky, Tennessee, and Fort Worth. He was a member of our winning Junior and Senior Get-of-Sire at the State and National Shows. Examiner has a full brother, Ashbourne Dividend, heading the herd of Dr. William Bailey at Murfreesboro, Tenn. Johnny Blume bought a half sister out of the same cow. ASHBOURNE EAGLE — Here is a bull that is much too young to sell but we were able to sacrifice him due to not having our own sale. He is a bull that will catch your eye at first glance. A dark red calf with a wonderfully strong, masculine head and alert eye. and a good set of horns. Check on this bull when you get to the sale.

These judging scenes
were all taken at
former Kentucky
Futurity Sales.

There are **as many bulls**
and **better bulls** in the
1962 Kentucky Futurity
Sale than ever before!

You Can SOLVE Your Herd Bull Problem HERE!

The Place to Buy a Herd Bull Is Where the Most Good Bulls are Offered

How many sales have you attended where there is only one, or possibly no bulls that you would consider to head your herd. There are sales that contain **more bulls**, but no sale contains a greater number of the kind you would consider as your next herd bull. There are 23 bulls in this sale. There will be no better place this spring to select a top junior herd sire.

Redline Flossy, grand champion female, Arkansas and Louisiana state fairs, 1960, for R. B. and A. V. Stimson. She is the kind they breed and sell. They have had several champions in these sales and are back again with good ones this year.

JUNIOR JUDGING CONTEST

We would like boys and girls interested in livestock to attend this show and sale. To make it interesting, a Junior Judging Contest will be held in connection with the show. Any 4-H or Vocational Agriculture member attending will be eligible to participate.

All participants must be registered and receive their judging cards by 9:00 a.m., at which time the show will begin. Three classes will be designated for junior placings. You will have a specified time to make your placings, handing the cards in before the judge makes his official placings.

Three prizes will be awarded. These will be credits on the purchase of any animal in the sale in the amounts of \$100 (first prize); \$65 (second prize); \$35 (third prize). These credits are not transferable, and are void at the conclusion of this sale. Should any prize winner not use his credit in the sale, an appropriate plaque will be sent to him instead through the courtesy of the Kentucky Shorthorn Association.

Whether you are a prize winner or not, you will learn by and enjoy testing your judging skills upon one of the finest groups of Shorthorns to be sold this spring. The judge will give reasons on placings in these classes.

We would also like to express our appreciation to all those connected with Western Kentucky State College. They have worked hard to get the facilities in order and have made all who attend this event feel welcome.
